## ABOUT US

# We Provide The Best Solution

We specialize in **designing, drawing, and preparing bills of material** for comprehensive Fire and Gas Separation Systems tailored to applications such as kitchens, electrical panels, server rooms, and more.

We collaborate with leading global and Indian brands, including **Johnson Controls, Honeywell, Siemens, Tyco, UTC, SRJ Group, NewAge Fire Protection, Safex Fire Services, Ceasefire Industries, Kanex Fire, Minimax, HD Fire Protect, and LPCB**, ensuring high-quality solutions for diverse environments. Our systems are widely used in commercial kitchens, warehouses, data centers, residential complexes, hospitals, and pharmaceutical plants, adhering to all safety norms. With expertise in **system design, documentation, and compliance**, we provide **reliable, innovative, and cost-effective fire safety** solutions for safeguarding life and property.

## ABOUT US

# We specialize in providing end-to-end technology solutions

We provide Fire Safety **Annual Maintenance Contracts (AMC)** to ensure the reliability and compliance of fire safety systems as per the **National Building Code (NBC)**. Our services include monthly, quarterly, and annual maintenance visits, covering comprehensive inspection, testing, and servicing of fire extinguishers, hydrants, sprinklers, fire alarms, and gas suppression systems.

With expertise in maintaining every component, we deliver detailed reports after each visit and ensure systems operate at **peak performance**. Committed to safety and customer satisfaction, we guarantee your fire safety systems remain fully functional to protect life and property.

## Fire Extinguisher Refilling & Sales

We supply and refill certified fire extinguishers, ensuring compliance and readiness for all types of fire hazards.

## Gas Detection System Work

Our advanced gas detection systems offer real-time monitoring, ensuring safety against hazardous gas leaks in any environment.

## Fire Safety Training

Our expert-led fire safety training programs equip individuals and teams with essential fire prevention and emergency response skills.

## Fire NOC Assistance

We streamline the Fire NOC process, ensuring quick approvals with complete documentation and compliance with safety regulations.

## Fire System Maintenance

Our comprehensive maintenance services ensure fire protection systems remain operational, compliant, and ready for emergencies.

## Fire Signage Boards

We provide high-visibility fire safety signage, guiding occupants to exits, extinguishers, and emergency equipment during crises.

## Fire Sprinkler Systems

Our reliable fire sprinkler systems provide automatic fire suppression, offering efficient protection for residential and commercial spaces.

## Supply of Fire Safety Raw Materials

We offer premium-quality fire safety materials, including pipes, fittings, and alarms, essential for robust fire protection systems.

## Annual Maintenance Contracts

Our Annual Maintenance Contracts (AMCs) ensure the longevity and reliability of fire safety systems through regular inspections, preventive maintenance, and prompt issue resolution.

We offer comprehensive servicing for fire alarms, suppression systems, extinguishers, and sprinklers, ensuring compliance with safety regulations.

With our expert team and timely interventions, we minimize risks, reduce downtime, and provide peace of mind for businesses and residential properties.

### CORE SERVICES

# What Make Us Different?

# VISION & MISSION

## Vision

---

To be a leading and trusted partner in fire safety, committed to protecting lives and assets through innovative solutions, exceptional quality, and unwavering dedication across diverse industries and sectors.

## Mission
